FACULTY SENATE
RESOLUTION

SR-90-91-(106)258 (FS)

WHEREAS, the Marshall University faculty has great and appropriate interest in the selection of an individual to serve as the next President of Marshall University; and

WHEREAS, the faculty has participated extensively in campus interviews with the five candidates designated as finalists, and has deliberated the apparent strengths and weaknesses of each; and

WHEREAS, the faculty has reached strong consensus regarding the candidates and finds one candidate to be far superior to the others as the individual best suited to address Marshall University's problems and to lead this university forward; and

WHEREAS, the faculty, after lengthy deliberation and careful consideration of all five candidates, found this one candidate to be the only acceptable candidate among the five presented; and

WHEREAS, all other major campus constituencies making a recommendation independently have also endorsed this individual as their only choice, and

WHEREAS, a new President needs the support of all the major campus constituencies in order to be effective, and

WHEREAS, the Faculty Senate recognizes that the final authority to select the President rests with the Board of Trustees,

BE IT RESOLVED that on this, the 25th day of April 1991, the Faculty Senate of Marshall University by this action urges in the strongest possible terms the members of the University of West Virginia Board of Trustees to consider and agree to accept the overwhelming mandate given on this campus to Dr. Bruce Carpenter, to be the next President of Marshall University.
